LT. CMDR. STRONG FREED FROM PRISON CAMP ON LUZON

Wife, Four Sons
Receive News of
Ranger Rescue

Just one day after she had received a postcard from a Jap prison camp on Luzon, signed by her husband, Lt. Comdr. Robert C. Strong, Jr., USN, 45, saying, "Don't worry about me because I'm all right", Mrs. Eleanor J. Strong of 48 Irving st., was officially notified late Friday night that her husband had been freed.

Held by the Japs since early in 1942, Lt. Comdr. Strong was one of the highest ranking officers to be liberated in the daring rescue by the 6th Rangers, a few days before the reconquest of Manila by Gen. MacArthur's troops.

"We're so excited, we don't know what to do. The news has changed by entire world," Mrs. Strong exclaimed between telephone calls of congratulations from (Please Turn to Page Three)

3 March of Dimes
Boxes Are Stolen

Someone entitled to be nominated as the world's meanest thief stole three contribution boxes which had been placed in Arlington stores for the benefit of the March of Dimes, W. Dale Barker, chairman of the Arlington committee, reported yesterday.

Two boxes were stolen from a large food store and the third from another food store in the Center.

The final collections for the fund will be made this week and the total receipts will be announced next week, Mr. Barker stated.

Non-Partisans
Adopt Platform;
Meet Next Sunday

Plans have been completed for a meeting of the Arlington Non-Partisan League next Sunday afternoon at 3 in Chestnut Hall.

ALDERSON
CANDIDATE

Herbert O. Alderson of 7 Stevens terrace this week filed his nomination papers with the Town Clerk for certification as a candidate for the Republican nomination for State Representative.

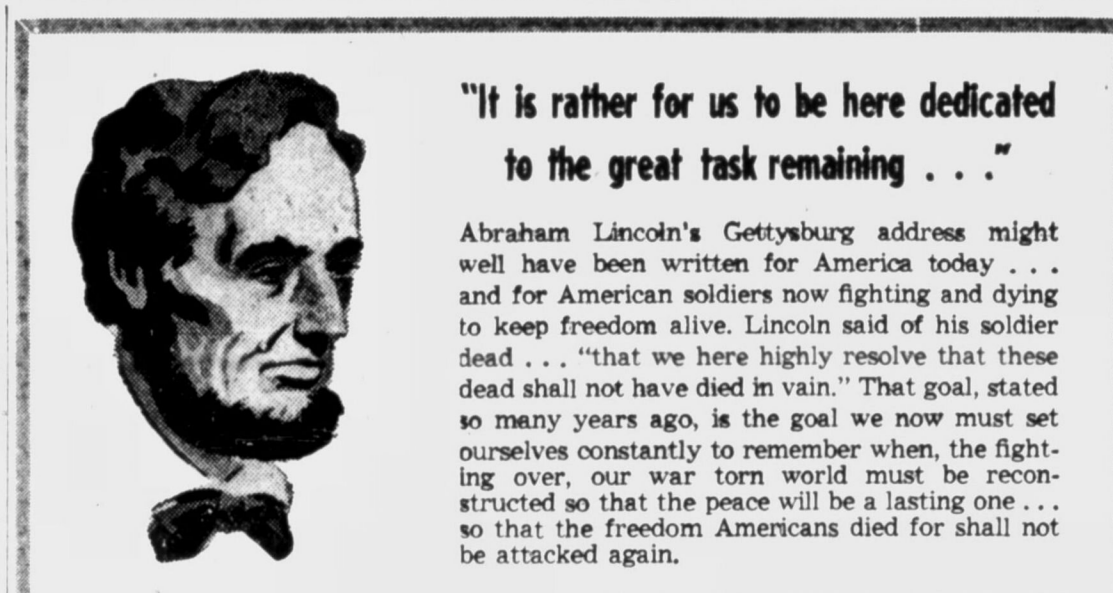

A resident of Arlington for 26 years, Mr. Alderson has served as a town meeting member from Precinct 10 for the past 10 years. He has been active in both local and State Republican affairs. He is a past president of the Young Republican Club of Arlington and the Middlesex Young Men's Republican Club, and has been a member of the Republican Town Committee for 11 years. He served as secretary in the office of former Governor Saltonstall and as confidential secretary to the chairman of the State Board of Public Utilities.

All candidates for town offices, including candidates for Town Meeting members, as well as the general public, are invited. There will be no admission charge.

Citizens interested in expressing their views regarding the League's platform or in adding strength to the various resolves will be welcomed, league officers pointed out. Officers for the 1945-46 season were elected at a meeting held Monday evening. James J. Geagan of 57 Sunset road was elected chairman. Others elected were: Raymond H. Pierce, vice chairman; Frank H. Lansing, secretary; Maurice D. Sullivan, treasurer; and Lawrence E. Corcoran, chairman of the Legislative Committee.

The League, which consists principally of property owners, was set up originally as a sponsoring organization for betterment purposes in town activities. This year the Arlington Non-Partisan League is sponsoring a slate of eight Republicans and eight Democrats for the various town offices to be filled at the annual election on March 5.

13-Point Platform
The league has adopted the following (Please Turn to Page Three)

"It is rather for us to be here dedicated to the great task remaining..."

Abraham Lincoln's Gettysburg address might well have been written for America today... and for American soldiers now fighting and dying to keep freedom alive. Lincoln said of his soldier dead... "that we here highly resolve that these dead shall not have died in vain." That goal, stated so many years ago, is the goal we now must set ourselves constantly to remember when, the fighting over, our war torn world must be reconstructed so that the peace will be a lasting one... so that the freedom Americans died for shall not be attacked again.

ZONING CHANGE
IN THIS ISSUE

The proposed amendment to the Zoning By-Law for the Town of Arlington, along with zoning map and zoning by-law schedule, is published in this issue of the NEWS.

In publishing this amendment prior to the Town Meeting, the Planning Board, of which Harold C. Knight is chairman, is hopeful that as many people as possible will become acquainted with the amendment and understand fully what it involves. The board intends that no stone be left unturned in publicizing the amendment on which considerable time and effort have been spent.

C. of C. President
Is Proud Grandfather

Mr. and Mrs. Roswell A. Landry are receiving congratulations on the birth of a daughter, Elizabeth Marcia, born last Thursday afternoon at the Symmes Hospital. Mrs. Landry is the former Marion Knuefer, daughter of Mr. and Mrs. Robert E. Knuefer of 78 Jason st. The proud grandfather is president of the Arlington Chamber of Commerce.

Milton Caniff and Roland Coe, popular cartoonists, started drawing in Boy Scout Camps.

Coast Guard
Band Will Play
at Youth Dance

A special feature for this week at the Arlington Youth Dance will be the music furnished by the Coast Guard Band.

The dance this week is open to members only. No guests will be allowed.

A concert by the crack Coast Guard band of 45 pieces, from 8 to 9:30 will precede tonight's dance for which music will be furnished by the 25-piece Coast Guard band.

Sendoff Is Given
Group of Selectees

Young men from both the Draft Board 4 and 5 districts were given a sendoff in the hearing room of the Robbins Town Hall Monday morning before their departure for active duty in the armed forces.

The men, and the branches in which they will serve are:

John W. Donahue, 41 Wollaston ave., Navy.

John L. Pitko, Jr., 174 Newport st., Army.

Gordon C. Thompson, 24 Pondview road, Navy.

Mitchell Ermonian, 43 Fairmont st., Army.

Francis Hunt, 38 Bates road, Army.

John J. Powers, 15 Cornell st., Army.

John E. Barry, 36 Boulevard road, Army.

Robert W. Brouillette, 15 Devereaux st., Army.

Paul R. Collins, 84 Brooks ave., Navy.

Charles D. Mahoney, 278 Broadway, Army.

Harry R. A. Frost, Jr., 15 Mill st., Army.

Donald R. Rae, 17 Shawnee road, U. S. Marine Corps.

Barry was leader of the group.

Rev. Fr. Foley, of St. Agnes church, who is to join the armed forces as a chaplain, Dr. Paul E. Sheldon of the Park Avenue Congregational Church, and Selectman Roscoe O. Elliott were the speakers, expressing the best wishes of the Arlington clergy and the town government. Maurice L. Hatch and Atty. Albert W. Wunderly represented the draft boards.

Other ministers present at the reception were Rev. John Nicol Mark, Rev. Laurence L. Barber and Rev. Robert M. Rice. Also present were Messrs. McGarry and Forbes, clerks of the draft boards; Mrs. Milton Estabrook and Mrs. Arthur J. Mansfield, who, as representatives of the Arlington Woman's Club, served coffee and doughnuts to the men; and representatives of the Salvation Army, American Legion and Veterans of Foreign Wars who distributed candy and cigarettes to the selectees.

Responding wholeheartedly to the appeal of President Roosevelt for more Victory Gardens in 1945, the Arlington Victory Garden committee, of which Mrs. Leroy G. Shaw is chairman, has already launched plans for the coming season.

The board of selectmen at its meeting Monday evening granted the request of Mrs. Shaw for the use of town-owned land as well as MDC land, used last year for Victory gardens, for more gardens next summer.

At the same time, the selectmen took occasion to congratulate the Victory Garden chairman on her work.

2 Die of Wounds
Received in Battle
On Western Front

The heavy price of war was brought home to four Arlington families this week as the War Department listed the names of casualties related to Arlingtonians.

Second Lt. Robert E. Parkins, son of Mr. and Mrs. William J. Parkins of 224 Massachusetts ave., died in Belgium on Jan. 7 as a result of wounds received in action several days earlier. The War Department has notified his parents. Lt. Parkins enlisted in the Army in June, 1943 at which time he was attending the University of Pittsburgh. He received his basic training at Fort Eustis, Va., and later attended O.C.S. at Fort Benning, Ga. He was graduated as a second lieutenant in September, 1944. After a short tour of duty at Fort Jackson, S. C., he was sent overseas in December.

He was born in Arlington in 1923. Besides his parents, he leaves a younger brother, William.

In addition to the War Department's telegram, Lt. Parkins' parents received a letter from his chaplain. Accompanying the letter of sympathy was a copy of a letter which the Army chaplain said was received by American soldiers from the young women of the Netherlands in which they expressed their deep appreciation for the liberation of their homeland.

Addressed to: "Our American Brothers," the letter read in part: "We, living in the Netherlands, come to you to thank you with all our hearts for the deliverance you

CHURCHES OF CHRIST, SCIENTIST

The subject of the Lesson-Sermon to be read in The Mother Church, The First Church of Christ, Scientist, in Boston and in all of its branches, on Sunday, Feb. 11, will be "Spirit".

The Golden Text, "God is a Spirit: and they that worship him must worship him in spirit and in truth," is from John 4:24. Other Bible citations include, "That which is born of the flesh is flesh; and that which is born of the Spirit is spirit" (John 3:6).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "Spirit blesses man, but man cannot tell whence it cometh. By it the sick are healed, the sorrowing are comforted, and the sinning are reformed. These are the effects of one universal God: the invisible good dwelling in eternal Science" (p. 78).

friends who had heard the good news. Always hoping that her husband's "streak of endurance" would see him through, Mrs. Strong added, "I just knew that if anybody lived through the experience, he would."

Proud and happy, too, over their Dad's freedom, are the naval officer's four sons, James and George, 11-year-old twins, who attend the Parmenter School; Francis M., 16,

COMMANDER STRONG Rescued on Luzon

a student at Arlington High School, and Robert, 16, who is following his father's footsteps as a student at Taber Academy in Marion.

As if to make his presence known, too, in this family celebration, Dusty, the Lt. Commander's 12-year-old police dog barked and wagged his tail when a NEWS reporter called at the house.

Evacuated in 1940

Mrs. Strong and the boys left the Philippines in November, 1940, when they were evacuated as the war clouds gathered. Lt. Comdr. Strong, a graduate of Annapolis in 1922 and in the Navy for 23 years, was communications officer of the famed cruiser Marblehead at the time. The twin boys remember the scene vividly when they saw their father for the last time. The ship pulled out slowly from Manila as a tall, slender figure at the end of the dock waved goodbye.

The Arlington naval officer was placed in command of the receiving station on Cavite the year before Pearl Harbor. Bombed out on Dec. 8, 1941, he escaped to Corrigedor. Later, he was one of a group of picked men sent to get supplies which had been secretly landed by submarine at Cebu for the beleaguered garrison. Early in 1943, word came that he had been taken prisoner by the Japs. From then on, news from his came in fragments—from men who had been with the naval officer, newspaper clippings, and six postcards with only his typewritten signature.

Mrs. Strong and the children lived in California from 1940 to 1941, hoping for an early reunion. After the attack on Pearl Harbor, the family came to her mother's home where they have lived since. Her mother, Mrs. Agnes Maguire, is at present living in California and may be the first in the family to meet the liberated officer. Mrs. Strong indicated. Meanwhile, she and the boys are looking forward to a happy reunion.

Lt. Comdr. Strong is a native of Raleigh, N. C.

Arlington Man in Luzon Party

ABOARD A COAST GUARD ATTACK TRANSPORT AT LUZON. — A hostile surf rather than enemy gunfire provided Coast Guardsman George E. Alden, 32, 19 Churchill ave., Arlington, and his fellow beach party members with opposition when they went ashore in Lingayen Gulf on D-Day. Evacuation of the Japs eliminated the danger of bringing supplies ashore. But a flat shelf plus high breakers forced Coast Guard landing barge coxswains to call upon all their small boat skill to bring personnel and supplies in quickly and pull out promptly.

While long lines of Army personnel, standing waist deep, formed bucket brigades to unload supply barges, the beach party set up its communications, medical and hydrographic sections to begin the large scale business of bringing all-important equipment ashore.

Filipino natives, grateful for the arrival of the Americans, offered their services. Though in ragged clothing, and somewhat lean from skimpy diets, they nevertheless radiated enthusiasm at the slightest opportunity to be of assistance.

"We know you Americans come back," said an elderly Filipino. "We know it even before you drop the leaflets from your planes. And the Japs know it, too. Their morale was not good around here."

The Coast Guardsman and his shipmates experienced some anxious hours before hitting the beach. Enemy planes intercepted the convoy on the approaches to Lingayen Gulf, but were blasted by fleet ack-ack fire and alert Yank fighter planes. Until they left the ship late in the afternoon, she was under frequent air attack. Some bombs fell nearby, but no damage was sustained.

Most sensational sight witnessed from the beach on D-Day night and early hours of morning was the invasion fleet trying to locate a Jap torpedo boat. A searchlight finally caught it on the run, and tracer fire converted it into a flaming torch within a few seconds.

Bitzer Endorses Robert L. Moore for Representative

To the Citizens of Arlington: I wish to express publicly by endorsement of Robert L. Moore as a candidate for representative in the Legislature from Arlington.

It is universally agreed that the immediate sessions of the Legislature will be, perhaps, the most important in our state's history. Problems of great consequence, affecting the lives of our citizens for many years to come, will confront the members of the Legislature. The expenditure of public funds will surpass anything we have encountered heretofore.

Improved highway systems, expanded civilian airplane transportation, jobs for our returning veterans—these are but a few of the many problems clamoring for attention and solution in the near future.

For these reasons it is of vital importance that we have in the Legislature men of vision, men of practical business experience, with a knowledge of municipal and state government—men with a far-seeing desire to restore the principles of private initiative and free enterprise, the foundation stones of our national progress and advancement in the past.

Robert L. Moore is a man of practical business experience, who for many years has successfully managed extensive real estate holdings and who has founded and operates what is now a successful oil business. He is the son of M. Ernest Moore, prominent in business and financial affairs in Arlington all his life, as was his father before him. His uncle, Clarence A. Moore, was a member of the Board of Public Works and the Board of Assessors. With such a background it is only natural that he should, early in life, adapt himself to a business career.

Bob Moore is a man of vision. He has been a leader in many civic enterprises, all of which have tended to make Arlington a better place in which to live. He has had plenty of executive experience. Not only does he own and operate his own business but he has been Chairman of the Arlington Community Fund Drive, a charter member of the Arlington Auxiliary Police, and Past President for the last five years of the Arlington Boys' Club Inc.

Bob Moore has had plenty of experience in town affairs. He has been a Town Meeting Member for ten years. For three years he has been a member of the Finance Committee, a fine training school in municipal finances. He has also served as Vice-Chairman of the Finance Committee. He was educated in the Arlington schools, Williston Academy and Colgate University.

In view of all these facts it is my opinion that Robert L. Moore is well and amply qualified to sit in the Massachusetts Legislature as the representative of the Town of Arlington. I shall vote for him for that office and I urge all my friends, who are interested in obtaining sound and efficient state government, to vote for him also.

Very truly yours, Jacob Bitzer

LET'S KEEP OUR EYES ON THE GOAL

Senator Vandenberg, an erst-while isolationist, has proposed an all-out plan for world security. He advocates a five-power treaty to demilitarize Germany and Japan; unity between the United Nations to win the war and the peace; a post-war world organization to prevent aggression; collective security as opposed to unilateral or bilateral action in Europe; reassertion of United States adherence to the principles of the Atlantic Charter.

Senator Vandenberg's stand should act as a sobering influence on the long-time internationalists who have recently been pulling long faces and saying, "the peace is lost even before the war is won". Because Russia has made a unilateral settlement in Poland; because France has made an alliance with Russia which does not mention Dumbarton Oaks; because Britain has "interfered" in Greece; because hunger and misery dominate Europe as aftermaths of a still unfinished war; because civilian populations, for years under the tortuous Nazi yoke, do not settle down as quickly as we might wish, voices have been raised in mournful lament. They are the voices of the perfectionists, speaking from the ivory tower of their own idealism. And they lack consistency. Some, for instance, are horrified that Mr. Churchill should attempt to force a settlement on Greece, but are perfectly willing to have him force a settlement on Poland. Others believe England has acted rightly in Greece, but are shocked that she should be acquiescent about Poland, for whose cause Great Britain first entered the war.

To pretend that there are no disagreements among the United Nations, to say that the course of our international relations is running smoothly is to hide one's head in the sand. To say that everything is lost is to keep one's head in the clouds.

In the months ahead, as we work toward a world structure for peace, the American people will need patience and good, hard-headed realism. The broad principles at stake must be constantly before us, and we must individually use every sphere of influence we have to help achieve them. Mr. Vandenberg has again focused our attention on those broad principles.

But we must not give up hope, nor endanger the ultimate success of a world organization by name-calling and withdrawal when specific incidents fall short of perfection. In making this peace, we will do well to remember that buzz-bombs loom on our horizon. Our choice, therefore, is not between perfection and nothing. It is between life and death.

NEEDED FOR YEARS TO COME

As the clouds of darkness part somewhat, with victory in sight in Europe, the Red Cross blazes as a great, blood-red symbol of mercy over the world. Toward it, millions of eyes have turned. Toward it, millions of eyes will yet turn.

For, even should the war in Asia as well as in Europe end this year, and that is not likely, the Red Cross will go on; it will continue to grow. It must, and for years to come. For even when men lay down their arms, the acid of hate already sprinkled over the world will continue to corrode.

Nations will not easily recover from their bruises. Thousands of the wounded will pour back into society, and their crutches and slings and artificial limbs will be reminders for a generation of today's battlefields.

Poverty, as a more intangible but even mightier reminder, will strike through the world, slow its recovery. Everywhere, there will be need for the compassion as practiced by the Red Cross, for the kindly ministrations of its workers.

More definitely, what will be expected of the Red Cross in 1945? It must continue its recruitment of nurses for the Army and Navy... its training of thousands of nurses' aides... its collection of blood plasma... its manufacture of surgical dressings... its operation of overseas service clubs... its help to servicemen caught up in grief brought on by personal problems... its shipment of food parcels to Americans in enemy prison camps... its rehabilitation work in hospitals.

It must continue these services and expand them. That is why, when the Red Cross starts its solicitation for funds in March, you will be asked to give more this year than last, to "Keep Your Red Cross At His Side in 1945."

THE BOY SCOUT MOVEMENT

Perhaps not everyone realizes what a great world asset has developed from the Boy Scout Movement. The problems that will face the democratic nations in a post-war world will be not merely economic. They will be psychological as well. Whole countries will have to develop new habits of thinking and foster a spirit of cooperation with each other based on mutual tolerance and respect.

Around the world the Scout Movement for over three decades has proved to be an effective means of building understanding and goodwill among youth. Before the war the world Scout membership numbered more than three millions. Over seventy lands had Boy Scouts, all with the same ideals and enjoying practically the same program. Their regularly scheduled world jamborees or camps brought together every four years 25,000 and 50,000 boys from all over the world. The international friendships formed by these boys have spread in ever widening circles.

Both Mussolini and Hitler feared the power of Scouting and abolished the Scout organizations in their countries in favor of their own heel-clipping, hate-fostering youth programs. In the invaded countries they have persecuted Scouts with special vindictiveness. But Scouts met in secret and kept in touch with each other through the International Scout Bureau in London. They are prepared to take up where they left off as each country is liberated.

Now the Boy Scouts of America in observing their 35th Anniversary takes the theme "Scouts of the World — Brothers Together". The principles engendered by the Boy Scout Program have the chance to be one of the strong links in universal world peace.

The NEWS OBSERVES

An entirely different public timetable, designed "so that anyone can read and understand it" will be presented by the Boston and Maine Railroad commencing Sunday. Discarding the type, and the black and white covers which have been used by the road for over half a century, the new timetable will appear in two colors and with a design of type unlike any other American railroad timetable.

For those who can "never read those things" the Boston and Maine's new timetable has, on its back page, detailed instructions on "How To Use This Timetable."

Cartoon figures and detailed text show the steps from 1 to 6 in a fashion, which, the road's spokesman said, "ought to make it possible for a grammar school youngster to read any part of this new timetable correctly and easily, for it's as simple as A, B, C."

Miss Ruth Krepelka of 79 Appleton st., celebrated her 21st birthday recently by donating her seventh pint of blood at the Red Cross donor center in Boston.

Bay State women today were urged to volunteer for medical duty in the WACS* to help relieve the suffering of wounded soldiers being returned to this country at the rate of 30,000 a month.

By Dr. Vlado A. Getting, state commissioner of public health. Joining in the intensive WAC campaign for women to serve in Army hospitals, Dr. Getting described alarming conditions in hospitals "where only one Army nurse is available to handle 26 beds... almost twice as many beds as one person can handle efficiently."

Heavy wet snow which fell throughout the day and last night gave the public works department a stiff battle after a record-breaking month of January which have kept snowplows and sanding trucks busy practically day and night without much let-up between storms.

Occasional complaints, which tend to become more numerous at the holiday season, that social security account number cards are improperly used as identification for check-cashing purposes, today led James T. Phelan manager of the Cambridge office of the Social Security Board, to issue the following cautionary statement:

"The social security account number card is not intended to serve as identification for check-cashing purposes and should not be accepted as such. A social security card is issued to any person who applies for it. It is issued for one purpose, and only one. That is to identify a social security account on which the wage record of the possessor may be posted as credit toward old-age and survivors insurance benefits. The account number is used with the person's name to identify his social security account, because many people have the same name but no two can

Keenan Addresses Somerville Grange on 4-H Club Program

Henry E. Keenan, leader of the Wildcat 4-H Club of Arlington, gave an illustrated talk on 4-H club work at a large meeting of the Somerville Grange in Odd Fellows Hall last Saturday evening.

He stressed the need for more 4-H club leaders in every community especially at this time in order to answer the President's appeal for the growing of more food. He mentioned the cooperation given by service clubs in Arlington in connection with local 4-H Club campaigns.

Sound movies on fire prevention and recreational programs were shown. This was one of a series of talks being given by Mr. Keenan in Metropolitan Boston before local organizations on the need of more 4-H leaders in communities to instruct boys and girls in the culture and care of Victory Gardens. The meeting was well-attended, and followed a dinner at which many non-resident members of the Grange were present.

The Arlington 4-H Group is still collecting books and magazines, as well as playing cards, which may be left at headquarters, 801 Massachusetts ave., and these will be taken to the Bedford Veterans' Hospital on Feb. 22 for distribution to veterans at this hospital.

Brackett School PTA Will Honor Founders

The February meeting of the Brackett School P. T. A. will be held in the Brackett School Hall next Tuesday.

The Founders Day message will be given by Mrs. Waldo G. Edwards, first president and now an honorary member. The guest speaker will be Mrs. Robert M. Rice who will talk on, "Thumbnail Sketches of New Books."

Bridge-Whist Party to Aid Mission Field

A new mission field for the Franciscan Fathers in Central America will benefit from the whist and bridge party to be held Monday evening, at 8 in Cypress Hall, 30 Prospect st., Cambridge.

The party is being sponsored by the Third Order of St. Francis and all proceeds will be turned over to the Immaculate Conception Province of the Honduras Franciscan Mission.

W.C.T.U. Meets Today

The W.C.T.U. will meet today (Friday) at 2:30 p. m. in the First Baptist Church. The topic for discussion will be the highlights in the life of Frances E. Willard.

On Jan. 30, the W.C.T.U. held a Mothers' County Institute meeting at the Food Craft Shop, Boston. Luncheon was served. Mrs. L. Earle Jackson of Somerville spoke on the topic, "Mothering Our World."

War Bond Sales

School Sales \$3,095.60

War Savings sales in Arlington schools last week totaled \$3,095.60 with Junior High Center, Junior High Industrial Arts, Brackett and Locke schools listed as having earned the coveted Minute Man Flag for the month.

The following groups will have charge of the Woolworth booth during the week of Feb. 12:

Monday: Crosby P.T.A., Mrs. Charles Larden.

Tuesday: Locke P.T.A., Mrs. Walter Olson.

Wednesday: Let-us-Lend-a-Hand, Miss Helen Hastings.

Thursday: Girl Scout Leaders, Mrs. Philip Card.

Friday: Mass. Order of Foresters, Mrs. Frank L. Murphy.

Saturday: Friends of the Drama, Miss Marylyn Wilcox.

War Bond Sales at the Women's Division booth in Woolworth's last week were: Stamps, \$151.40.

Pfc. Stynes Honored in the Philippines

SOMEWHERE IN THE PHILIPPINES—Pfc. Lester F. Stynes, son of Mr. and Mrs. James H. Stynes, 276 Broadway, Arlington, has recently been awarded the Philippine Liberation ribbon.

This decoration is given by the Commonwealth Government of the Philippines to all troops actively participating in the campaign to free the islands.

Pfc. Stynes, driver in a combat infantry unit, has been overseas for more than a year. He has served in the Hawaiian Islands and New Guinea as well as in the Philippines.

Lions Club Notes

F. G. Strathern, in charge of the sales school for the New England Coke Company, was guest speaker at Monday evening's dinner meeting of the Arlington Lions Club. His subject was "Sales and Business."

H. Clyde Baldwin of the Babson Institute will give a financial analysis at the meeting on Feb. 19.

Donald Aldrich conducted Monday's meeting in the absence of Earl McKenzie, president. Guests introduced were Col. Thomas Lynch of the U. S. Marines, on furlough from the Pacific; Haliam T. Ring and Robert Philie, both of Arlington.

FIRE DAMAGES HOME

Fire caused considerable damage to the basement and first floor at the Harding home, 50 Gloucester st., late Monday afternoon. An alarm was sounded from Box 486, bringing several pieces of fire apparatus.

AUTO CRASHES INTO POLE

Philip G. Simonian of 234 Forest st., escaped injury Saturday when the car he was driving crashed into an Edison light pole near 231 Summer st. The auto had to be towed to a garage.

V.F.W. Collect 5 Cars Paper

Five freight car loads of waste paper were filled by V. F. W. members and other volunteers in last Sunday's scrap paper collection in Arlington. Members in charge of the collection expressed themselves as more than satisfied with the cooperation of citizens.

Selectman Joseph Peterson was among the 60 members of Arlington post 1775 V. F. W., who worked all day loading and unloading trucks. Other volunteers included members of Arlington lodge of Elks, Lt. Birtwell of the State Guard, and WACS who drove Army trucks which covered various sections of the Town.

Arlington Residents on Committee in Charge of Maryknoll Benefit

Several Arlingtonians are on the committee in charge of the Maryknoll League bridge and whist to be held in the main ballroom of the Copley Plaza hotel tomorrow afternoon. Archbishop Edward J. Cushing, D.D., will attend the affair, the proceeds from which will go to the Maryknoll missions. Committee members include Mrs. Herbert Lambert, Miss Marie Dunn, Miss Dorothy Hannabury, Miss Agnes Kelly, Mrs. P. J. Fallon and Mrs. Anna B. Chester.

Girl Scout Executive Attends Conference

Mrs. Kathleen Pearce, Arlington Girl Scout Executive, attended a Camp Directors' Conference at Camp Edith Macy, Pleasantville, N. Y., during the past week.

This conference was for experienced directors from the Eastern States of the country and five were invited from New England. Trends in camping programs, staff sources and training, and personnel and business management were discussed under the guidance of National Staff members. The status and implications of public school camps which are growing in number provoked interesting comments and resolutions.

Camp Menotomy, the Arlington Girl Scout Camp, has been under the direction of Mrs. Pearce for the past five years and she is already making plans for the season of 1945. Registrations will be received as soon as the camp folders are out — probably about March 1.

When the Japs are driven out of the Philippines, the Boy Scouts of America will help to reorganize Scouting in the islands.

There's A Reason

why more people in Massachusetts buy homes with the help of liberal Co-operative Bank mortgages than with any other type of home financing. That reason is: our modern direct reduction plan insures debt-free ownership on terms safely and comfortably within the means of the buyer. Ask us to explain the details.

Betty Bayburn's Column

IT'S THE PRE-LENTEN PARTY SEASON: Ash Wednesday comes Valentines' Day and New England is surely showing it's hospitality to visiting service peoples by the parties and events scheduled this month.

When you dance, are you smooth and smart or do your clothes reek of stale perspiration? Correct cleaning is the answer to this problem.

NEAL O'HARA wonders why Chief Bullock doesn't mimic with "This is Archie Calling". He probably doesn't realize our police chief is a pretty swell guy who makes those Saturday night affairs at the Town Hall his number one hobby. Our Archie has a real sense of humor and he's a dapper gent, too.

"NOT ALL THAT GLITTERS IS GOLDEN" applies to some of the snappy metal cloth gowns now being worn.

Metallic cloth is beautiful and expensive, but it is definitely not serviceable. The very fine strands of copper, brass or silver that give luster to these and lame fabrics are coated with a very thin protective lacquer or other transparent substance before they are woven into fabrics. Once this protective coating is disturbed by friction, perspiration, fumes from the atmosphere, or alcohol spots, large discolored areas appear and often a complete change of color results. It is the same when brass, copper and silver tarnish in the home. Sometimes the cleaner can temporarily remove this discoloration, but he is unable to make it permanent because he cannot restore the protective lacquer to the tiny individual threads. So discolorations may reappear before the garment can be delivered to the customer.

It's beautiful, but it's not serviceable."

CEILING PRICE POSTERS showing charges for a few popular items are now compulsory in every dry cleaning store. Our ceiling prices have not been advanced since 1942, when we filed a complete price schedule with the ration board which is also posted in both Drive In Stations.

Whether it's dry cleaning, groceries, or clothing it's patriotic to check ceiling prices and if you suspect something wrong, report the details to the Ration Board for their investigation.

Price Ceilings, as well as wage ceilings, are something like a corset. It's a foundation that keeps the whole nation from inflating to a perfectly horrible shape.

Yours for cleaner living—

Betty

AMENDMENT TO ZONING BY-LAW FOR ARLINGTON, MASSACHUSETTS

Districts

Section 1. Establishment of Districts

For the purposes of this by-law, the Town of Arlington is hereby divided into districts of six classes, to be known as:

1. Residence A Districts
2. Residence B Districts
3. Residence C Districts
4. Business A Districts
5. Business B Districts
6. Industrial Districts

Said districts are as shown, defined and bounded on the Map accompanying this by-law, entitled "Town of Arlington, Massachusetts, Zoning Map, Prepared Under the Direction of the Planning Board", dated March 1945, signed by the said Board or as thereafter amended, and on file with the Town Clerk. Said Map and all explanatory matter thereon are hereby made a part of this by-law.

Section 1-A. District Boundaries

The location of the boundary lines of the districts shown upon the Zoning Map shall be determined as follows:

1. Where the boundary lines are shown upon said map within the street lines of public or private ways, the center lines of such ways shall be the boundary lines.
2. Where the boundary lines are shown approximately on the location of property or lot lines, and the exact location of property, lot or boundary lines is not indicated by means of figures, then the property or lot lines shall be the boundary lines.
3. Boundary lines located outside of such street lines and shown approximately parallel thereto shall be regarded as parallel to such street lines; and figures placed upon said map between such boundary lines and street lines are the distances in feet of such boundary lines from such street lines, such distances being measured at right angles to such street lines unless otherwise indicated.
4. In all cases which are not covered by the other provisions of this Section, the location of boundary lines shall be determined by the distance in feet, if given, from other lines upon said map, or, if distances are not given, then by the scale of said map.

-1-

5. Whenever any uncertainty exists as to the exact location of a boundary line, the location of such line shall be determined by the Inspector of Buildings, provided, however, that any person aggrieved by his decision may appeal to the Zoning Board of Appeals, as provided in Section 4.

Administration and Enforcement

Section 2. Enforcement

1. This by-law shall be enforced by the Inspector of Buildings appointed under the building code of the Town of Arlington, and no permit shall be granted for the construction, alteration, re-location or use of any building or structure, if the building or structure as constructed, altered, re-located or used would be in violation of any provision of this by-law. Whenever such permit or license is refused because of some provisions of this by-law, the reason therefor shall be clearly stated in writing.

2. If the Inspector of Buildings shall be informed, or have reason to believe, that any provision of this by-law has been, is being or may be violated, he shall make or cause to be made an investigation of the facts and inspect the property where the violation may exist. If he shall find any such violation he shall give notice thereof in writing to the owner or to his duly authorized agent and to the occupant of the premises, and order that any use of any building contrary to the provisions of this by-law shall immediately cease.

3. If, after such notice, the premises are continued to be used in a manner contrary to the provisions of this by-law, or if any such owner or occupant shall fail to obey any lawful order of the Inspector of Buildings in respect to any violation or use contrary to the provisions of this by-law, the Inspector of Buildings with the approval of the Board of Selectmen may, and if required by them shall, institute appropriate legal proceedings to enforce the provisions of this by-law or to restrain by injunction any violation thereof, or both, and shall do all further acts, revoke the permit for occupancy, institute and take any and all such action as may be necessary to enforce the provisions of this by-law.

Section 3. Occupancy Permit

1. No building hereafter erected, altered or relocated shall be used, and no change shall be made of the use of any building or of any parcel of land, unless an occupancy permit signed by the Inspector of Buildings has been granted to the owner or occupant of such land or building. Such permit shall not be granted unless the proposed use of the land and building and all accessory uses comply in all respects with this by-law and no use shall be made of such land or building that is not authorized by such occupancy permit.

-2-

Section 4. Zoning Board of Appeals

1. A Zoning Board of Appeals is hereby established, to consist of three members to be appointed by the Board of Selectmen. All members of said Zoning Board shall be residents of the Town of Arlington, and one member shall be an Attorney-at-Law, and at least one of the remaining members shall be a registered and professional architect or a registered civil engineer. The appointments first made shall be for the term of one, two, and three years respectively, so that the terms of one member shall expire each year. All subsequent appointments shall be for the term of three years. When the appointments are first made the Board of Selectmen shall also appoint two associate members for the term of two years each, such associate membership to be appointed every second year. No member shall act in any case in which he shall be interested, and in case any member or members shall be so disqualified, or because of absence from the town, or any other cause, he or they shall be unable to act, the remaining member or members shall, in a written statement, filed with the secretary, so certify, and name an associate member or members to act upon the particular matter. Whenever said associate member or members shall serve, he or they shall have all the powers conferred upon a regular member. If two or more members are absent or disqualified, the Board of Selectmen may appoint substitutes to act during such absence or disqualification. The said Zoning Board of Appeals shall organize yearly, choosing a chairman and a secretary.

2. The Board shall adopt rules, not inconsistent with the provisions of the by-laws of the Town, for conducting its business and otherwise carrying out the purposes of the Zoning by-laws. Meetings of the board shall be held at the call of the chairman, and also when called in such other manner as the board shall determine in its rules. Such chairman, or in his absence the acting chairman, may administer oaths, summon witnesses and call for the production of papers. All hearings of the board shall be open to the public. The board shall cause to be made a detailed record of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and setting forth clearly the reasons or reasons for its decisions, and of its other official actions, copies of all of which shall be immediately filed in the office of the town clerk and shall be a public record, and notice of decisions shall be mailed forthwith to parties in interest as hereinafter designated.

3. Any person aggrieved by the refusal of the Inspector of Buildings to issue a permit or license on the grounds of non-compliance with the Zoning by-laws may appeal to the Zoning Board of Appeals

-3-

as provided in Chapter 40 of the General Laws and any amendments thereto.

4. No appeal or petition and no application for a special exception to the terms of this by-law which has been unfavorably acted upon shall be considered by the Zoning Board of Appeals within two years after the date of such unfavorable action except with the consent of all the members of the Planning Board.

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing thereon, seven days' public notice of which shall be given.

6. The Zoning Board of Appeals shall also, at least ten days prior to the hearing, send or deliver written notice to all the owners of real estate opposite to or abutting on the property in connection with which any permission is sought, and to such others as the Zoning Board of Appeals may order or by regulation prescribe, and shall, at least ten days before the hearing, post a notice of the hearing upon the property in a conspicuous location, adjacent to a street on which the property is situated, stating the nature of the petition in connection with which permission is sought. A copy of this notice shall also be posted on the Bulletin Board at the Town Hall.

7. In the case of an appeal involving a change in use of land or building the Zoning Board of Appeals shall hold a joint meeting with the Planning Board to discuss the matter, preferably before the date of the public hearing or in any event before final action is taken by the Zoning Board of Appeals.

Section 4-A. Exceptions and Variances.

1. The Zoning Board of Appeals may on petition, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the by-law in harmony with its general purpose and intent, in the following cases:

- (a) It may permit in a Residence A District the alteration of a single family dwelling as a residence for not more than two families, provided that the external appearance of a single family dwelling be retained so far as reasonably practical.
- (b) It may permit in a Residence A District or B District a hospital, sanitarium or other medical institution.
- (c) It may permit the rebuilding, repair or extension of a non-conforming use as provided in Section 7, Paragraph 3.

-4-

2. The Zoning Board of Appeals may also authorize variances in particular cases as provided in Section 30 to 30A of Chapter 40 of the General Laws or acts in amendment thereof and in addition thereto. The grant of such variances may be of indefinite duration, or for periods not exceeding one year. Such temporary grants of variances may be renewed from time to time, except that in the case of a new building or of an addition to an existing building, the aggregate of the periods covered by such temporary grants and the extensions thereof shall not exceed two years.

Section 5. Amendments

1. A copy of every petition for the amendment, modification or repeal of this by-law, including the Zoning Map and the boundary lines of the districts thereon, and of every article submitted or to be submitted to the Selectmen for insertion in the warrant for any Town Meeting relating to any such amendment, modification or repeal, shall be filed with the Planning Board on or before the date when such article is submitted to the Selectmen for insertion in the warrant.

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town shall, or upon its own initiative may, hold a public hearing for the consideration of any proposed amendment, modification or repeal of this by-law and shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing shall be given by publication in a newspaper of general circulation in the town, the first publication to be not less than twenty days before the date assigned for the hearing.

3. No action shall be taken at any Town Meeting upon any proposed amendment, modification or repeal of this by-law unless a public hearing has been held thereon in the manner prescribed in the preceding paragraph, and the recommendations of the Planning Board have been reported to the Town Meeting, or twenty days have elapsed after such hearing without a submission of a report of its recommendations by the Planning Board to the Town Meeting; and no amendment, modification or repeal of this by-law shall be made except by two-thirds vote of a town meeting.

4. No proposed amendment to this by-law which has been unfavorably acted upon by the Town Meeting shall be considered on its merits within two years after the date of such unfavorable action unless the adoption of such an amendment is recommended in the final report of the Planning Board required by Section 27 to 27A of Chapter 40 of the General Laws.

-5-

General Provisions

Section 6. Definitions

1. Unless otherwise expressly stated, the following terms shall for the purposes of this by-law, have the meanings indicated.

2. Words used in the present tense include the future. Words used in the masculine gender include the feminine and neuter; and in the feminine or neuter, the masculine. Words used in the singular number include the plural; and in the plural, the singular. "Lot" includes "plot"; "building" includes "structure"; "occupied" includes "designated or intended to be occupied"; and "used" includes "designed or intended to be used".

"Accessory Use"—Is the use of a building or premises for a purpose customarily incidental to a use permitted in the district in which it is located.

"Alteration"—A change in a building which modifies its location, plan, manner of construction or the kind of materials used or in any way varies the character of its use.

"Apartment"—A portion of a building used as a dwelling by one family.

"Apartment House"—Any building containing three or more apartments.

"Basement"—That part of a building which has more than one-half of its clear height below the level of the finished grade.

"Boarding House (Home)"—A house in which a regular service of meals is furnished for persons for a remuneration.

"Building, existing"—A building already erected upon the effective date of this by-law.

"Building, new"—A building erected after the effective date of this by-law.

"Building, line"—The line established by law, beyond which a building shall not extend, except as specifically provided by law.

"Corner lot"—Is a lot at the junction of and fronting on two or more intersecting streets or ways. Only that portion of the lot having a frontage on any one street of 150 feet or less shall be considered a corner lot. On a corner lot the front yard set-back requirements must be complied with on each street.

"Court"—An unoccupied space other than a yard, inclosed on three or more sides and on the same lot as the building, but open to the sky, unobstructed by roof, sky-light or other appendages. A court which extends to the street, rear yard, front yard or side yard is an "Outer Court"; a court that does not thus extend is an "Inner Court".

-6-

"Duplex House"—Is a house containing two apartments adjoining side by side; that is, in which no part of one apartment is over any part of the other apartment. A duplex house shall be considered as one main building occupying one lot for the purpose of determining yard requirements.

"Dwelling"—A house or building or portion thereof which is occupied by one or more families doing their cooking on the premises.

"Family"—Is a number of individuals living together as a single housekeeping unit and doing their cooking upon the premises.

"Front Yard"—Is a space across the full width of the lot and extending from the front line of the building located on such lot to the front line of such lot.

"Frontage"—The front part of a building or lot abutting on a public or private way. A corner lot fronts on the street on which it is numbered.

"Garage"—Any building, or part thereof, wherein is kept or stored one or more motor vehicles, or wherein the painting, repairing or greasing of motor vehicles is performed.

"Garage, private"—A garage in which no business or industry connected directly or indirectly with motor vehicles is carried on and in which only passenger cars are housed.

"Gross Floor Area"—The gross floor area of a building is the total area of all floors, including basement and mezzanines, measured to the exterior walls of the building, and including partitions, stairhalls, corridors and covered porches.

"Half Story"—Is any story which is under a sloping roof, where the point of intersection of the tops of the rafters and the face of the wall is less than three (3) feet above the floor level.

"Height of Building"—Is the vertical distance of the highest point of the roof above the mean finished grade of the ground adjoining the building, excluding penthouses, bulkheads and other allowable superstructures above the roof.

"Lot"—Is the parcel of land on which a Principal building and its accessories are placed, together with the required open spaces.

"Lot Line"—Is a division line between adjoining properties or a division line between individual lots established by a plan filed in the Registry of Deeds or Land Court.

-7-

"Occupancy"—Use or occupancy of a building, character of use, or designated purpose of a building or structure or portion thereof.

"Penthouse"—Is a small structure built upon the roof.

"Rear Yard"—Is a space across the full width of a lot and extending from the rear foundation line of the building located on such lot to the rear line of such lot.

"Rooming or Lodging House"—A house in which a business is made of renting rooms.

"Sanatorium or Sanitarium"—An establishment for the reception and treatment of invalids or convalescents where conditions are favorable and beneficial to the patient.

"Side Yard"—Is a space extending from the front yard to the rear yard between a building and the adjacent side line of the lot on which said building is located.

"Story"—That part of a building between any floor and the floor or roof next above.

For the purpose of this by-law, where a building is not divided into stories, a story shall be considered fifteen feet in height, provided that steeples, penthouses, cupolas, stage lofts, etc., shall not be considered as additional stories. A basement or cellar, the ceiling of which extends more than four feet, six inches above the average finished grade, shall be a story within the meaning of this by-law.

"Street Line"—The dividing line between a street and a lot.

"Two Family House"—Is a house containing two apartments, in which part of an apartment is over part of the other apartment. (See Duplex House.)

Section 7. Non-Conforming Buildings and Uses

1. This by-law and any amendment thereof shall not apply to buildings existing at the time of its taking effect or to the existing use of buildings or land; provided, that a non-conforming use of a building or of land which is operating under a temporary permit issued by the Board of Selectmen at the time of any amendment to this by-law shall not be continued beyond the date of termination of such permit.

2. If any building existing at the time this by-law takes effect is then legally used in whole or in part for a purpose for which a new building may not be constructed or used under the provisions of this by-law, this by-law shall not prohibit the changing of such use of such building or part to a use which is not substantially

-8-

different from the existing use, provided the building is not altered structurally and provided further that the new use is not prohibited in the most restricted zone in which the present use would be permitted. However, no non-conforming use which is changed to a conforming use shall be permitted to revert to a non-conforming use.

3. Any building or part of a building which, at the time of the adoption of this amendment, is being legally put to a use not conforming with the regulations of the district in which it is situated may continue to be used for the same purpose or for purposes not substantially different, and may be repaired; but no such building, if destroyed to the extent of 75% of its value above the foundation, shall be rebuilt for non-conforming use, nor shall such building, if destroyed to the extent of 25% of its value above the foundation, be rebuilt for non-conforming use except by permission of the Zoning Board of Appeals. No non-conforming building shall be extended or enlarged except by permission of the Zoning Board of Appeals. The Zoning Board of Appeals may in either case grant permission if such rebuilding, extension or enlargement would be in harmony with the general purpose and intent of this by-law, and not otherwise.

4. Any existing building may be used in any district for a purpose, or purposes, otherwise prohibited by this by-law for periods not exceeding one year at a time, provided the conditions exist which would authorize the grant of a variance, permission of the Zoning Board of Appeals is obtained in the manner set forth in Section 4 and the aggregate of the terms of such a permit does not exceed two years.

Section 8. Use of Land

No land shall be used for any purpose for which a new building or structure may not be constructed or used under the provisions of this by-law. No sod, loam, sand, gravel or quarry stone shall be removed for sale (except when incidental to and in connection with the construction of a building for which a permit has been issued in accordance with the Building Laws,) except by permission of the Zoning Board of Appeals, such permission being obtained in accordance with the procedure provided in Section 4 and only when such permission would be in harmony with the general purpose and intention of this by-law and under such conditions as the Zoning Board of Appeals may impose. However, nothing contained in this section, or any amendment thereof, shall prevent the continued use of any land for the purpose for which it is legally being used at the time this section or any amendment thereof takes effect, except that a non-conforming use of land which is operating under a temporary permit issued by the Board of Selectmen shall not be allowed to continue beyond the date of termination of such permit.

-9-

Section 9. Restrictions Affecting All Districts

No new building or part thereof shall be constructed or used, and no premises shall be used, and no building or part thereof shall be altered, enlarged, reconstructed, or used under the conditions designated as (a) and (b) of this section in any part of the town.

(a) For any purpose which by the emission or discharge of fumes, vapor, gas, dust, offensive odors, chemicals, poisonous fluids, or substances, refuse, organic matter, or excrement, the causing of noise or vibrations, or by unduly increasing the risk from fire or explosion, or otherwise, would be dangerous or injurious to the public health or safety.

(b) For any purpose which would be for any reason injurious to the health, safety, morals or welfare of the community or harmful to property therein.

Section 10. Access and Parking for Business and Industrial Buildings

No driveway or other means of access for vehicles other than a public street and no parking space for private automobiles or commercial vehicles shall be maintained or used in any residence district to serve business or industrial buildings located in a business or industrial district.

Section 11. Corner Clearance in Residential Districts

Between the property lines of intersecting streets and a line joining points on such lines twenty feet distant from their point of intersection or in the case of a rounded corner, the point of intersection of their tangents, no building or structure in any residence district may be erected and no vegetation other than shade trees may be maintained between a height of three feet and seven feet above the plane through their curb grades.

Section 12. Reduction of Lot Area

No lot on which is located any building used for residence purposes in any district shall be reduced or changed in area or shape so that the building or lot fails to comply with the provisions of this by-law. This Section, however, shall not apply in the case of a lot a portion of which is taken for a public purpose.

Residence A Districts

Section 13. Use Regulations

In the Residence A district, no new buildings or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land shall be used for:

-10-

- (a) Any industry, trade, manufacturing or commercial purposes;
- (b) Any purpose except one or more of the following:

1. Single family detached dwelling house.
2. Physicians (M.D.) office in residence.
3. Farm (except the raising of livestock or poultry) or market garden but in no case shall goods or produce be sold that are not the natural products of the premises in question.
4. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto, including a private garage for not more than two cars.
5. Church, school (except a music, dancing or riding academy), library or museum, hospital, sanitarium (or other medical institution) or a public utility building, provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in sections 4 and 4A. In no case, however, shall a public utility building be used for the general garaging or dispatching of automobiles or for the storage of materials for construction or maintenance purposes.

Section 13-A. Area Regulations

1. Lot Area. In the Residence A districts, no lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and no building or buildings on any one lot, including garages, stables and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved, so as to have an average gross floor area per story of more than 35 per cent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence for a single family.

2. Building Area. No one-story house shall have a floor area of less than 700 sq. ft. No house more than one story in height shall have a first floor area of less than 500 square feet or a second floor area of less than 250 square feet. Of the second floor area at least 125 square feet must have a clear head room of 7 feet.

-11-

Section 13-B. Height and Area Regulations

The height and area regulations in the Residence A district are hereby established as set forth in the "Schedule of Height and Area Regulations" attached hereto.

Residence B Districts

Section 14. Use Regulations

In the Residence B districts, no new buildings or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged reconstructed or used, and no land shall be used for:

- (a) Any industry, trade, manufacturing or commercial purposes;
- (b) Any purpose except one or more of the following:

1. Any use which is permitted in a Residence A district.
2. Two-family or duplex houses.
3. Such accessory purposes as are customary or usual in

connection with two-family or duplex houses and are incidental thereto, including a private garage for not more than two cars.

Section 14-A. Area Regulations

1. **Lot Area.** In the Residence B districts, no lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and no building or buildings on any one lot, including garages, and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved so as to have an average gross floor area per story of more than 35 per cent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence.

2. **Building Area.** (a) No one-family, one-story house shall have a floor area of less than 700 square feet. No one-family house more than one story in height shall have a first floor area of less than 500 square feet or a second floor area of less than 250 square feet. Of the second floor area at least 125 square feet must have a clear head room of 7 feet.

- 12 -

(b) No duplex house shall have a floor area of less than twice that required for one-family buildings, as stated in the preceding paragraph.

(c) No two-family house shall have a floor area of less than 700 square feet per family unit, including stairways.

Section 14-B. Height and Area Regulations

The height and area regulations in the Residence B districts are hereby established as set forth in the "Schedule of Height and Area Regulations" attached hereto.

Residence C Districts

Section 15. Use Regulations

In Residence C districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land shall be used for:

(a) Any industry, trade, manufacturing or commercial purpose;

(b) Any purpose except one or more of the following:

1. Any use which is permitted in a Residence B District.
2. Apartment House.
3. Boarding house or lodging house.

4. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto, including a private garage.

Section 15-A. Building Coverage and Court Regulations

1. In the Residence C districts, no building or buildings including garages shall be constructed, altered, enlarged, reconstructed or moved in such a way as to cover more than 35 per cent of the area of the lot for a building five stories in height, more than 40 per cent for a four-story building, or more than 50 per cent for a building of three stories or less.

2. Inner courts shall not be permitted in any building. Outer courts shall have a minimum width of 25 feet or two-thirds the average height of the walls surrounding the court, whichever is the greater. In no case shall an outer court have a depth greater than its width unless such width exceeds 50 feet, in which case the maximum depth permitted shall be one and one-half times the width.

- 13 -

Section 15-B. Parking Spaces

In the Residence C districts, no parking space shall be allowed other than for the use of residents of the property in question or their guests. No parking space shall be within 15 feet of any street line. Parking spaces, where provided shall be located on the side or in the rear of the principal building and shall be paved with a hard surface.

Section 15-C. Height and Area Regulations

The height and area regulations in the Residence C districts are hereby established as set forth in the "Schedule of Height and Area Regulations" attached hereto. Single and two-family houses constructed in a Residence C district shall be required to conform to the minimum area and yard requirements of the Residence B districts.

Business A Districts

Section 16. Use Regulations

In the Business A districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used and no land may be used for any purpose except one or more of the following:

- (1) Any purpose which is authorized or may be permitted in the Residence B districts.
- (2) Restaurant or other eating place.
- (3) Store, salesroom, or showroom for the conduct of retail business.
- (4) Public or semi-public building.
- (5) Barber shop or beauty parlor.
- (6) Funeral home.
- (7) Office or bank.
- (8) Public garage or gasoline filling station, provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in Section 4 or 4A.
- (9) Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto.

- 14 -

Section 16-A. Building Coverage and Court Regulations

In the Business A districts, all buildings used for residential purposes shall conform to the building coverage and lot regulations as set forth in Section 15-A for a Residence C use or Section 14-A for a Residence A or B use.

Section 16-B. Height and Area Regulations

The height and area regulations in the Business A districts are hereby established as set forth in the "Schedule of Height and Area Regulation" attached hereto. All buildings in the Business A districts used for residential purposes shall conform to the height and yard regulations as set forth for Residence B and C districts.

Business B Districts

Section 17. Use Regulations

In the Business B districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land may be used for any purpose except one or more of the following:

- (a) Any purpose which is authorized or may be permitted in the Residence C or Business A districts.
- (b) Theatre, hall, club, or other organization, dancing academy or other place of amusement or assembly.
- (c) Such industry, trade or light manufacturing as is customary or usual in connection with, or is part of, any of the purposes authorized or permitted under the provisions of this Section and is incidental thereto if such industry, trade, or light manufacturing is carried on in the same building or on the same premises as the business or use with which it is connected, provided, however, that no industry, trade or light manufacturing shall be carried on in a business district which is prohibited or not authorized in the industrial districts, or is dangerous to the neighborhood from fire, explosion or other cause.

(d) The total floor space which may be used for industry, trade or light manufacturing on any one lot or on adjoining lots if part of the same establishment, shall not exceed a total area of two thousand square feet, unless permission of the Zoning Board of Appeals is obtained in the manner provided in Section 4 and 4A for the use of such additional specified floor space as they shall find is reasonably necessary for the conduct of the business.

- 15 -

Section 17-A. Building Coverage and Court Regulations

In the Business B districts, all buildings used for residential purposes shall conform to the building coverage and court regulations as set forth in Section 15-A for Residence C districts, except that inner courts shall be permitted. The minimum horizontal dimension of such courts shall be 25 feet or two-thirds the average height of the walls surrounding the court, except in the case of courts which provide light and ventilation only to bathrooms, halls, or other rooms not used for living or sleeping purposes, in which case the provisions of the Building Code only need apply.

Section 17-B. Height and Area Regulations

The height and area regulations in the Business B districts are hereby established as set forth in the "Schedule of Height and Area Regulation" attached hereto. All buildings in the Business B districts used for residential purposes shall conform to the height and yard regulations as set forth for Residence B and C districts.

Industrial Districts

Section 18. Use Regulations

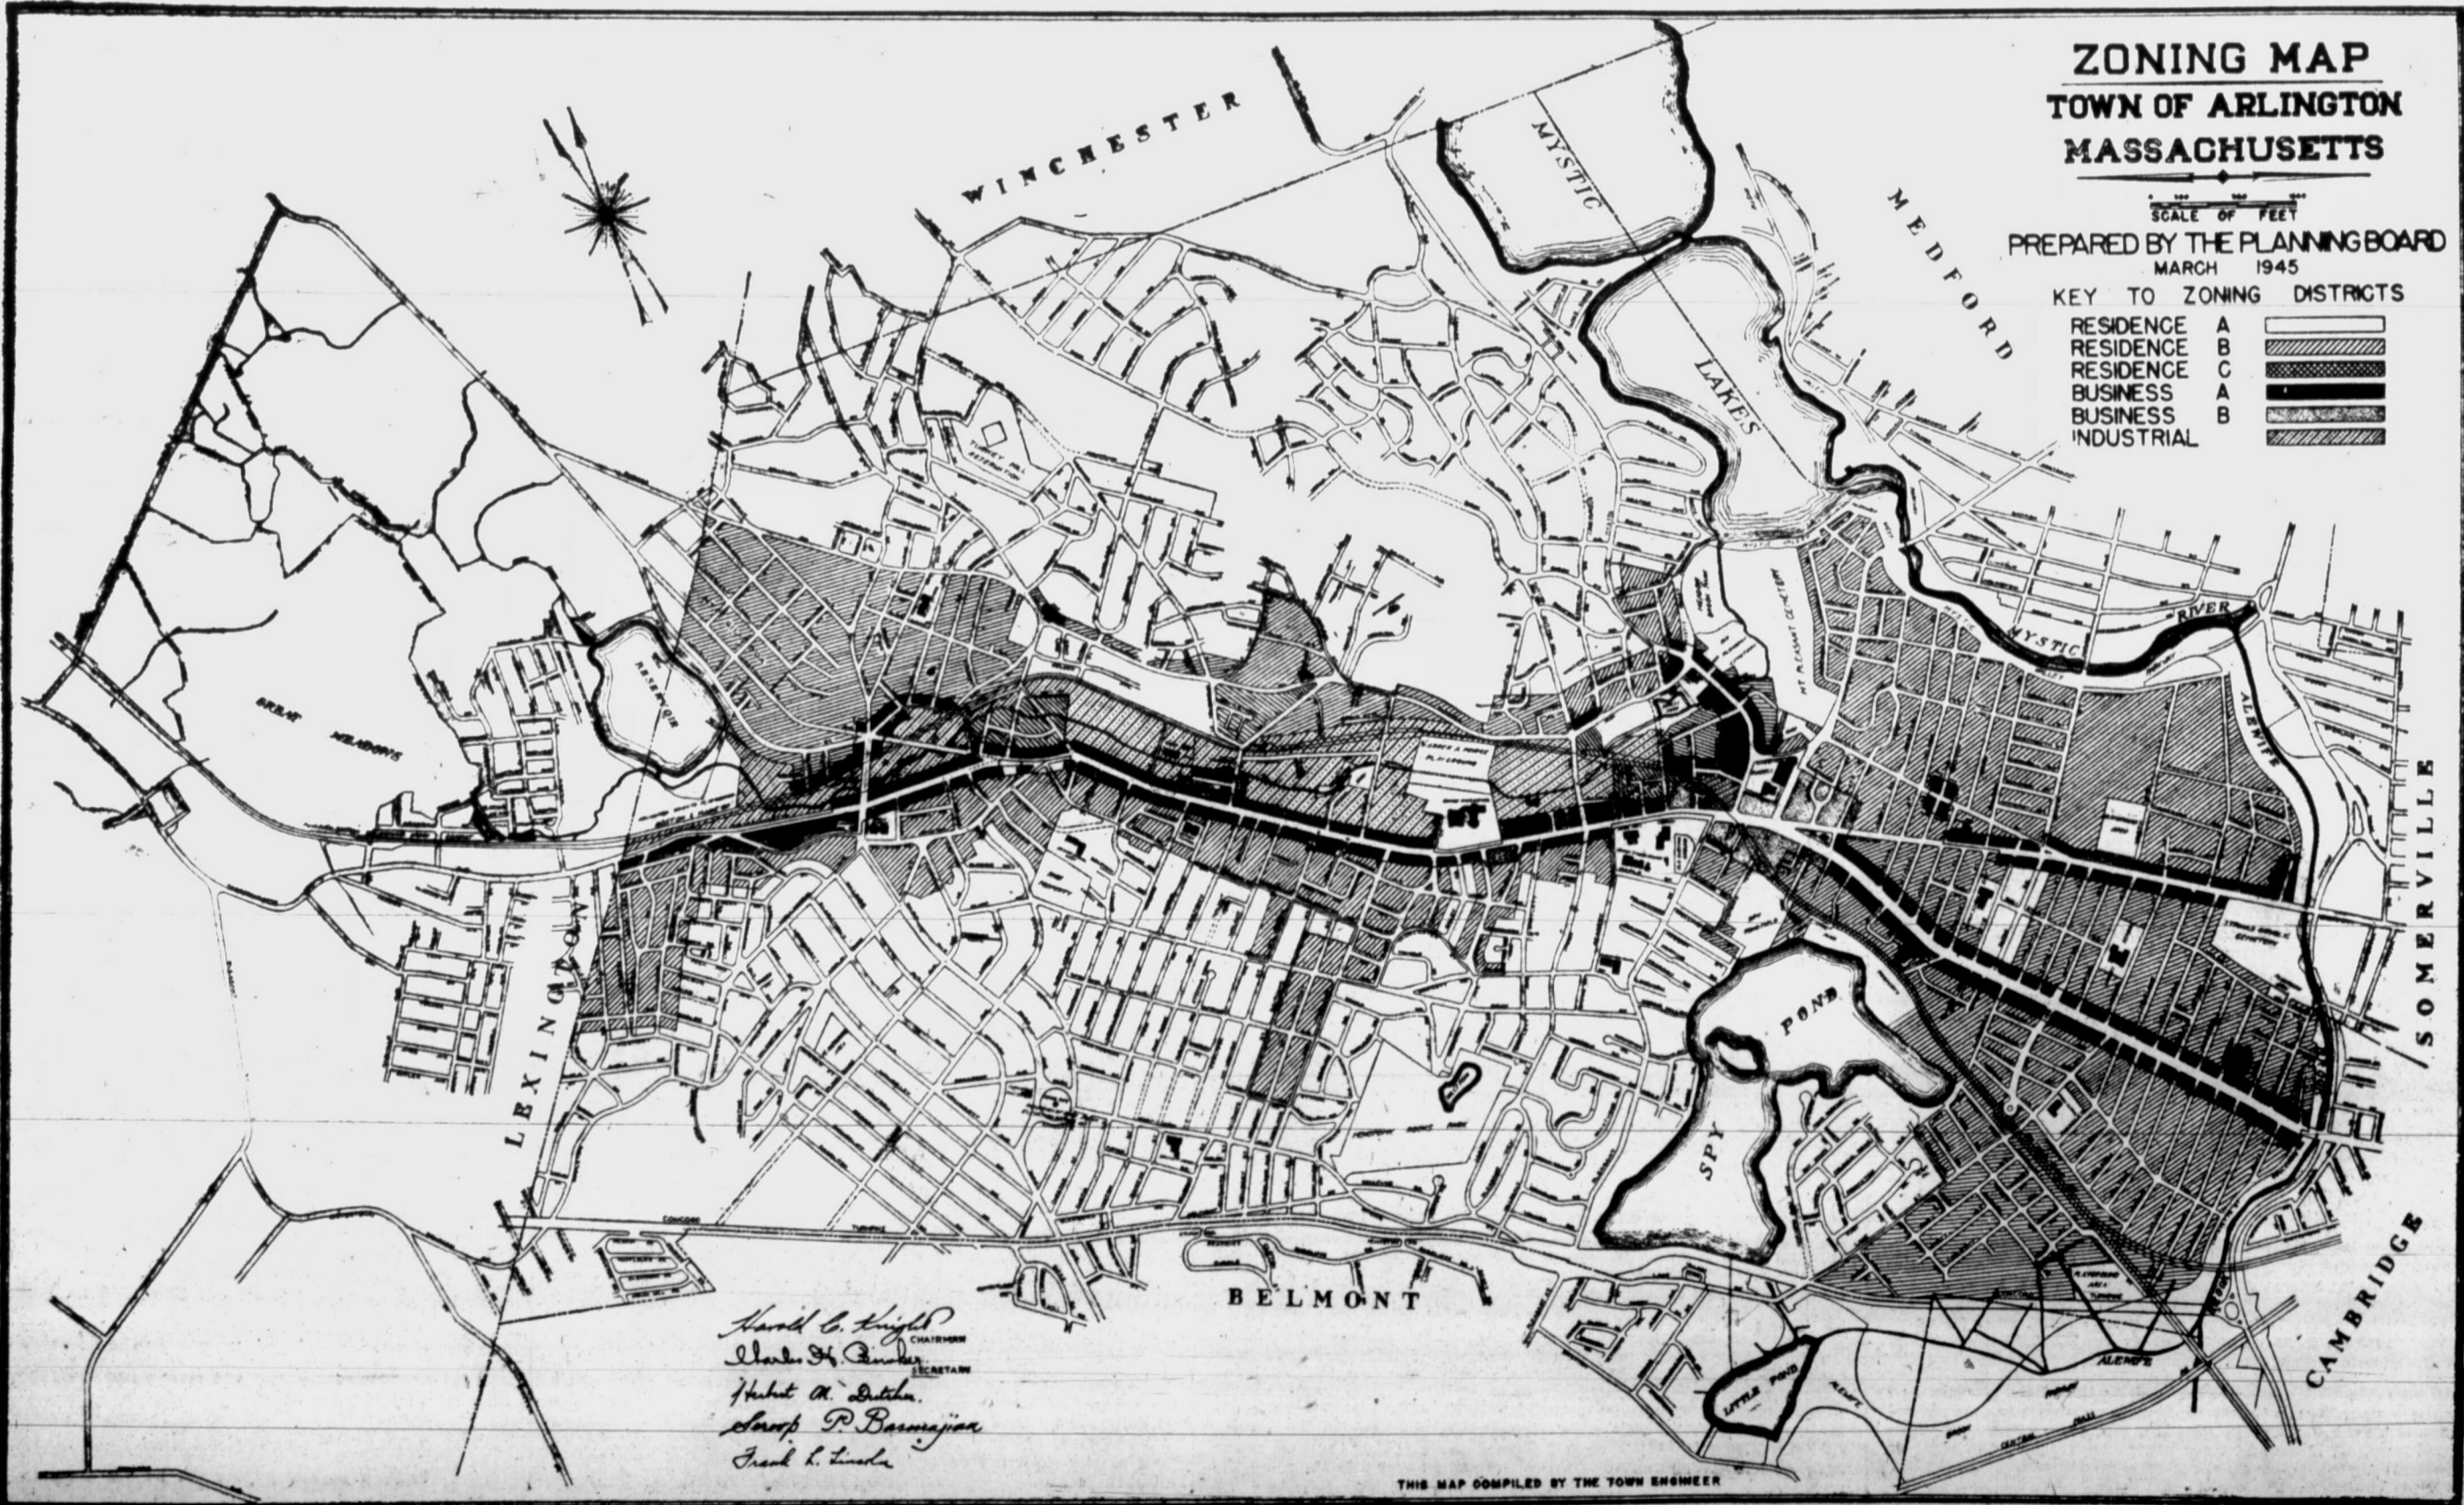

In the Industrial districts, buildings or land may be used and buildings may be altered or erected for any legal use except the following:

1. Abattoir and commercial slaughtering.
2. Manufacture of corrosive, poisonous or malodorous acids and chemicals.

- A yard for the storage or sale of used building or junk material.

Section 15-A. Building Coverage and Court Regulations

In the industrial districts, all buildings used for residential purposes shall conform to the building coverage and court regulations set forth in Section 17-A for Business B districts.

Section 15-B. Height and Area Regulations

The height and area regulations in the industrial districts are hereby established as set forth in the "Schedule of Area Regulations" attached thereto. All buildings in the industrial districts used for residential purposes shall conform to the height and yard regulations as set forth for Residence B districts.

Exceptions

Section 19. Height Exceptions

The height limitations as set forth in the foregoing schedule shall not apply to chimneys, ventilators, skylights, water tanks, bulkheads, penthouses and other accessory additions which are required or are customarily carried above the roofs of buildings, nor to towers, spires, domes, cupolas, and similar additions to buildings if such additions are not used for living purposes.

Section 20. Lot Area and Width Exceptions

Minimum lot area and width requirements in Residence districts, as set forth in Sections 13-A and 14-A, shall not apply to lots which prior to the passage of this by-law were shown as separate parcels on subdivision plans approved by the Board of Survey or on plans or deeds duly recorded with the Registry of Deeds. In the case of such lots, the required side yards need not be more than 7 feet 6 inches or 15 per cent of the lot width, which ever is the greater.

Section 21. Yard Exceptions

1. Projecting eaves, chimneys, bay windows, balconies, open fire escapes and like projections which do not project more than three

- 17 -

and one-half feet, and unenclosed steps, unroofed porches and the like, which do not project more than 10 feet in the front yard and five feet in the side yard beyond the line of the foundation wall, may extend beyond the minimum yard regulations otherwise provided for the district in which the structure is built.

2. In the Residence A and B districts, no building need be set back from the street line more than the average of the setbacks of the buildings on the lots adjacent thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet in Residence A district or more than 20 feet in a building set back 25 feet in Residence A district or more than 20 feet in a Residence B district being counted as though occupied by a building set back 25 feet and 20 feet respectively; but in no case shall any part of a building in a Residence A or B district be less than 10 feet from any street line.

3. In the Business districts, a rear yard shall not be required in the case of an interior lot running through a block from street to street when improved by a single principal building.

Validity and Effectiveness

Section 22. Validity

The invalidity of any section, paragraph or provision of this by-law, or of any district, or part thereof as shown upon the Zoning Map, or of any boundary line shown upon said map, shall not effect the validity of any other section, paragraph or provision of this by-law, or of any other district or part thereof as shown upon the Zoning Map, or of any other such boundary line.

Section 23. Existing By-Laws Not Repealed

Nothing contained in this by-law shall be construed as repealing or modifying any existing by-law or regulation of the Town, but shall be in addition thereto, provided that, wherever this by-law imposes greater restrictions upon the construction or use of buildings than other by-laws or provisions of law, such greater restrictions shall prevail.

Section 24. When Effective

This by-law shall take effect upon acceptance by the Town and its approval by the Attorney General and publication according to law.

School Coaches Will Speak at Boys' Club Event

Fred Ostergren, director of athletics in Arlington schools; Henry Tozowski, head coach of football at Arlington High School; and Assistant Coach Cavalieri will be speakers at the Arlington Boys' Club father and sons' night in the clubhouse on Washington's Birthday.

Through the courtesy of John P. Curley, graduate manager at Boston College, technician sound movies of the Boston College-Tennessee Sugar Bowl game will be shown. Community singing and a program by Martha Quinn, Solovox soloist, will round out the program. The festivities will open at 6:30 p.m. with a baked bean supper. Selectman Roscoe O. Elliott, president of the Club, will be toastmaster. The sale of tickets to date indicates a full house will turn out.

Dr. Thomas Honored On 70th Birthday

Dr. Charles A. Thomas of 45 Fairview ave., who has practiced dentistry in Arlington for 44 years, was surprised at an informal party in Koford's Tuesday noon, in honor of his 70th birthday.

Two large birthday cakes were cut after which Town Clerk Earl A. Ryder read an appropriate poem. Many in the restaurant joined in singing birthday greetings. Charles F. Wyman recalled Dr. Thomas' start as a dentist. Those present included Frederick W. Damon, Charles F. Wyman, John P. Sawyer, Warren Lindberg, Thomas L. Ross, Donald E. Nickerson, L. E. Smith, Ralph L. Margeison, Dr. Walter M. Wing, Earl A. Ryder, Arthur J. Mansfield, Dr. Winslow M. Kingman, Edward C. Hildreth, David A. Wilcox, Harold B. Wood, Albert Wyson, Ira M. Jones, Edwin C. Towne, and L. Albert Brodeur.

Miss Alice Koford, owner of the restaurant, cooperated in making the luncheon celebration a success.

Mr. Ryder's poem follows:

Old Father Time, with softest tread,
Keeps forging always straight ahead.
He does not stop for you and me,
No matter what our plea may be.

He marches on, year after year,
Without so much as one small tear,
Even though he's leading you and me
Nearer to eternity.

With that in mind, our stay on earth
Should ever be all love and mirth;
And we should strive to not forget
To make each year the best one yet.

So when a birthday comes along,
It should be greeted with a song,
That emphasizes with sweet cheer
Our thankfulness that we are here.

Today our hearts are filled with joy,
Without a mixture of alloy,
Because this is the Natal Day
Of one who's been our friend always.

A friend who builds our teeth anew,
And makes them so that we can chew
The sirloin steak and other meat,
That everywhere is tough to eat.

A friend who joins this Koford bunch,
Each day when it is time for lunch,
And listens to John Sawyer's talk,
And Mr. Towne's infernal squawk.

A friend who never says a word
When Lawley boasts, in terms absurd,
Of marvelous cures, and surgery,
That he's performed as an M.D.;

A friend who is a real swell guy,
And stands with us A-1 Ace High,
And one who loves his fellowman,
And true always to Uncle Sam;

A friend who knows beyond a doubt
That joy in life is helping out,
A friend we love because he's kind,
And to our faults is always blind.

So let's all shout in joyful chorus;
"Happy Birthday, Dr. Thomas,
Happy Birthday, loyal friend,
And pleasant travelling to the end!"

—Mr. and Mrs. W. R. Purrier of 129 Overlook road celebrated their 34th wedding anniversary on Tuesday. Mr. Purrier is well-known in Arlington as the proprietor of the Edith Hine Beauty Salon.

Killed at Air Base

Today, the body of S/Sgt. Burgess S. Harpoot of 47 Park ave., who was killed in an accident at the Army Air Base in Seattle, Wash., was enroute to Arlington. It is expected that the funeral will take place early next week.

S/Sgt. Harpoot died Sunday of injuries received when he was struck by a vehicle at the base. His mother and sister, Beatrice, boarded a plane for Washington after the family had been notified of the accident but failed to reach the base before the soldier died.

Born in Lowell, S/Sgt. Harpoot was graduated from Lowell High School in 1934 and Lowell Textile Institute, from which he received the degree of Bachelor of Textile Engineering, in 1938. He was prominent in sports at both schools and was active in the First Congregational Church in Lowell. His family moved to the Park ave. address three years ago.

Before joining the Air Forces, S/Sgt. Harpoot was a textile inspector for the Federal government.

He leaves his parents, Charles and Esther Harpoot, and three sisters, Queenie, Florence and Beatrice, all of Arlington Heights. Mrs. Harpoot and her daughter, returning with the body of the airman, are expected to arrive here tomorrow.

Killed in Bomber Crash

On Wednesday morning, a military funeral was held for Cpl. Joseph G. Magovern, 23, brother of Mrs. Henry J. Bourgault of 108 Newland road, who was one of five fliers killed in a crash of a medium bomber in Greenville, S. C., on Friday.

The funeral was from Mrs. Bourgault's home where the body was taken from Greenville, with Sgt. John Rauzon as military guard. The funeral cortege proceeded to St. Joseph's Church, Medford, where a solemn high mass of requiem was celebrated. Six members of the Army Air Forces stationed at Bedford Air Base were pallbearers. A firing squad and bugler from Fort Devens acted as escort from the church to Holy Cross Cemetery, Malden, where burial took place.

Cpl. Magovern was the son of the late Patrick M., and Margaret (Murphy) Magovern. He was graduated from Medford High School in 1939 and enlisted in the air forces two years ago. At the time, he lived with his grandmother, Mrs. Catherine Murphy, 15 Governors Ave., Medford. His brother, Cpl. John B. Magovern, who lived with his sister, Mrs. Bourgault, enlisted from Arlington and is now stationed in Guam.

Cpl. Magovern leaves five other sisters and another brother. He was an engineer-gunner. The plane of which he was a crew member was returning to the Greenville Army Air Base after a combat training flight when it crashed on a farm near the field.

Killed in France

Pfc. James W. Bears, 26, of 11 Lafayette st., was killed in action in Morhange, France, according to official notification from the War Department.

Pfc. Bears was born in Canada. He leaves his father, William V. Bears, two brothers in the service, Clinton, U. S. Army; and Fred, U. S. Navy; and a sister, Mrs. George Prime of Somerville.

—Mrs. Glenn Rink of Arlington was one of the hostesses at the Boston University College of practical arts of letters, tea and reception in honor of Dean T. Lawrence Davis and members of the senior class as well as class officers last Saturday afternoon. Miss Barbara Donahoe, also of Arlington, was a student guest.

Unique Program for Woman's Club

Scheduled for next Thursday's meeting of the Arlington Woman's Club in Robbins Memorial Town hall, is Adele Hoes Lee, who combines the technique of the lecture platform with the art of character portrayal, as she presents the important and constantly changing plays of each season with sympathetic understanding and refreshing humor.

Miss Lee is a old favorite of the Arlington Woman's Club and members are looking forward to this brief adventure into the world of make believe when Miss Lee will portray with telling intensity the climatic scenes of plays under discussion.

Mrs. Robert M. Rice, chairman of the Literature and Drama Committee, is in charge of the program.

UNIVERSITY THEATRE

Posing as Hollywood talent scouts, Bud Abbott and Lou Costello get mixed up with princes and purgers in mythical kingdom in the mystic East in the hilarious new starring film, "Lost in a Harem," which opens Sunday at the University Theatre. The brilliant cast includes Marilyn Maxwell, John Conte of radio fame, Douglass Dumbrille and Jimmy Dorsey and his orchestra lending their best to the proceedings.

"One Body Too Many," the companion film, features Jack Haley, Joan Parker and Bela Lugosi. On Wednesday, Review Day, the program includes Rita Hayworth and Gene Kelly in "Cover Girl" and Walt Disney's "Snow White and the Seven Dwarfs."

"Let's Be Friendly," a musical revue written, directed and produced by employees of American Mutual Liability Insurance Company, gave its 17th performance Wednesday evening for servicemen at Cushing General Hospital, Framingham. The cast of 50 has been giving the show since early last summer at nearby camps, hospitals, and canteens. Shake Alexander and Betty Heaney who reside in Arlington had prominent parts in the musical numbers.

DEATHS

JOHN PARKINSON

Funeral services for John Parkinson, 84, of 58 Mary st., were held yesterday afternoon at the Saville & Kimball chapel.

Mr. Parkinson, a former Boston Elevated Railway employee, retired in 1940 after 30 years' service. He was a member of Hiram Lodge, A. F. & A. M., and St. John's Episcopal Church. He died Tuesday.

He leaves a son, John P., of Boston; a daughter, Mrs. Jessie P. Gorham, with whom he lived, and two sisters in England.

MRS. LUCY A. THAYER

Funeral services for Mrs. Lucy A. (Southard) Thayer, 75, who owned a well-known dressmaking establishment in Arlington Center up to five years ago when she retired, were held Sunday afternoon at the Saville and Kimball Chapel. Burial was in Bath, Me., on Monday. Rev. Laurence L. Barber of the Orthodox Congregational Church officiated.

Mrs. Thayer, who died at the Symmes Hospital on Friday, was a native of Bath and lived in Arlington for 30 years, making her home at 424 Massachusetts ave. She was the widow of Charles M. Thayer. She was a member of the Old South Church, Copley Square, Boston.

Mrs. Thayer leaves a daughter, Mrs. Effie Louise Noyes of Norway, Me.; two brothers, Allie E. Southard of Portland, Me., and Frank Southard of Eastham; and a grandson and a great-granddaughter.

CLINTON ROBBINS

Clinton Robbins, who lived in Arlington many years ago and was well-known among the town's older families, died recently at Yarmouth, Me. He had suffered a stroke some time ago and had since been partially paralyzed.

Annual Meeting

In accordance with Articles 4 and 8 of the By-Laws, the Annual Meeting of the Arlington Community Chest, Inc., will be held on Friday evening, February 16, 1945, at eight o'clock, in the Hearing Room of the Robbins Memorial Town Hall, for the purpose of hearing reports and electing Directors for the ensuing year.

Magnus Endorses Ring for Representative

23 Victoria Road

Editor of Arlington News
In answer to the many inquiries from friends regarding the February 27th primaries, I wish to announce that I shall not enter the race as a Republican candidate for Representative.

I believe that the logical person to win the nomination should be the man who received the next highest vote to the late Charles M. Sawyer, namely: Hallam T. Ring.

Yours truly,
ANDREW A. MAGNUS

BUS HEARING NEXT MONDAY

The State department of Public Utilities has set next Monday at 10:30 as the time for a public hearing on the petition of 200 residents of the Washington st., section relative to the service given by the Lovell Bus Company. Room 166 at the State House has been set aside for the hearing.

The petition was filed with the State Board following conferences with the local board of selectmen and officials of the bus company, according to Mrs. Ashley C. Zwickler of 231 Mountain ave., one of the petitioners, who contends that the principal grievance was that some of the busses serving the section did not cover every street for which a franchise was issued. In such cases, the busses, running from Arlington Center to the Heights merely followed Summer st., and avoided going over the side streets off Summer st. Since the petition was circulated, a shuttle service from the Center to Reed st., was put into effect by the company in an effort to improve its service.

George Putnam, Bob Trout and Robert St. John, network news reporters, were Boy Scouts.
